

FERNANDO HETTIYADURA

MSC (UK), BSC HONS (USA), MCC, CHT

ICF EDUCATOR

Fernando Hettiyadura is the founder of Ignite Global, an organization dedicated to the advancement of Human Potential, Human Resource Learning & Development and Coaching as a Profession. Fernando has over 18 years of experience as a Global Executive Coach, Team Development Specialist, Coach Trainer & Mentor with an international outreach.

Fernando is a Master Certified Coach (MCC) designated by the International Coaching Federation (ICF), and he is the creator of ICF Accredited Professional Coaching Mastery Certification encompassing Individual, Group and Team Coaching. He was also the Member Relations Director at ICF Bangkok Charter Chapter in Thailand in 2020.

His professional journey has enabled him to act as a catalyst for development in individuals ranging from Celebrities, C-Suit Executives to Politicians. And he has contributed to the development of organizations ranging from INGOs, Fortune 500 Companies to International Associations.

With over a decade of Coaching Experience, background in Adult Centric Learning Pedagogy and Education Technology, he is uniquely positioned to bring you the Professional Coaching Mastery Certification.

Fernando believes in the individual power of igniting the positive change in the world, and he is passionate in creating social impact in marginalized communities by empowering youth, especially girls. On a lighter note, Latin dancing and traveling the world are his favourite hobbies.

PLOYWARONG LUENGTRAI RAT

MSC, BSC, CPC, PCMC

ICF EDUCATOR

Ploywarong Luengtrairat has a wide array of professional experience as a Senior Manager in the Pharmaceutical Industry as well as a Passionate Professional Coach. Ploywarong is a Certified Professional Coach, an ICF Educator and currently contributes to Ignite Global's ICF Coach Training and delivery of coaching as a key ICF Professional.

Ploywarong is a Thai Native speaker, fluent in English and Japanese. She believes in the power of innate human potential and uses coaching as a methodology to develop herself, her teams as well as her coaching and training audiences.

JESSICA TEAL

CPC, PCMC, CADP

ICF EDUCATOR

Jessica Teal is an international Creativity Coach, Photographer and Community Founder. Having lived abroad for more than 10 years, she has built a strong portfolio of experience in arts and education, utilizing her skills in the creative industry to develop effective systems of organization and support to optimize workflows for individuals and businesses in the arts and education sector. Jessica is also a Certified Professional Coach specializing in creativity, child and adolescent development, and life coaching. She is a lifestyle photographer and a visual enthusiast, working with clients across the board to co-create images that represent the essence of each of her subjects.

She is also the founder of Swap 'Til You Drop, a community platform based in Bangkok, Thailand that has been running for 8 years that specializes in facilitating clothing swaps events to provide people with a sustainable alternative to unconscious consumerism.

LUX HETTIYADURA

ICF - ACC, CADD, CPC, CHT

ICF EDUCATOR

Lux Hettiyadura is an Associate Certified Coach (ACC) designated by the International Coach Federation (ICF), and she is the creator of the Professional Coaching Mastery Certification encompassing Child/Adolescent Development and Parenting, world's first and only ICF accredited certification focusing on the holistic development of children, adolescent, parents, families and educators. She passionately leads the Coaching Education, Research, and Development interventions at Ignite Global.

Lux's expertise lies in early years education and interpersonal relationships. She has over 15 years of strong international background in education. She is a child/adolescent development specialist, family and relationship mentor, training facilitator, and an ICF coach educator. She focuses on a coaching approach to child and adolescent social, emotional, and behavioral development as well as creating a coaching culture in educational environments. With this methodology, she enables parents and educators to awaken their maximum capacity to create a sustainable impact in positive and effective parenting and teaching.
